

## Come Alive (Dry Bones)

1.

**Am**

Through the eyes of man it seems there's so much we have lost

**F**

As we look down the road where all the prodigals have walked

**Dm**

And one by one the enemy has whispered lies and led them off as slaves

**F****G**

2.

But I know that You are God, Yours is the victory

We know there is more to come that we may not yet see

So with the faith You've given us we step into the valley unafraid

*Refrain:***F****C****G**

We call out to dry bones, come alive, come alive

**F****C****G**

We call out to dead hearts, come alive, come alive

**F****Am****G****F****C/E**

Up out of the ashes, let us see an army rise

**F****G****C**

We call out to dry bones come alive

3.

God of endless mercy, God of unrelenting love

Rescue every daughter bring us back the wayward sons

And by Your spirit breathe upon them show the world that You alone can save

You alone can save

*Bridge:***Dm**

So breathe, oh breath of God

**F**

Now breathe, oh breath of God

**Am**

Breathe, oh breath of God

**G**

Now breathe
